

# “MAJESTIC CONDOR VALLEY”

## WALKING & CAR TOUR

(DURATION: 12HRS APPROX.)

Our “Local Friend” will pick you up from your Hotel at 4:00 AM. You’ll start the tour by heading to the town of Chivay, located 3.5hrs approx. from Arequipa. On the way we will appreciate picturesque villages and beautiful landscapes.

You’ll arrive at Chivay around 7:00 AM to enjoy a continental breakfast to give us energy for continuing our trip. We will buy the necessary tickets and continue the trip heading towards the Cruz del Cóndor, a natural viewpoint where you can see the spectacular flight of the condor and will be able to appreciate the depth of the canyon. Here we will stay approximately 1 hour.

We will return to Chivay, for a buffet lunch, (by way of Maca village to stop in the beautiful XVI century colonial church) not before doing stops at Wayra Punku, Altahuilque and Choquetico lookouts.

Later we’ll visit the thermal baths of Calera, a paradise surrounded by beautiful mountains and hot springs flowing. Where you can take a bath (OPTIONAL).

After a relaxing bath, you’ll be on the way back to Arequipa, doing two final stops: Pampa Cañahuas (part of the National Reserve of Aguada Blanca, viewpoint of andean animals like llamas, alpacas and, if you are lucky, maybe you’ll also see vicuñas in their natural habitat) and Patapampa (the highest pass at 15,000 ft. and the view point of the Volcanoes and snow-covered mountains)
